Dear Timothy

Thanks for getting in touch about a Jobseeker Support. You qualify for this from 23/02/26, and your payments will be \$307.42 a week.

Your payments will start after your stand-down on 23/02/26. Your stand-down is 1 week from 16/02/26 to 22/02/26, based on your circumstances for the 26 weeks before you applied.

Jobseeker Support is paid while you're actively seeking and available for work.

We realise looking for work is sometimes difficult but we're here to help you. You can come in and talk to us about how you might find a job that suits your circumstances.

To receive Jobseeker Support, you need to:

- work with us to plan how you'll find a suitable job
- attend any job training courses or work assessments we refer you to
- attend any interviews for suitable jobs
- look for jobs of at least 30 hours a week and accept any suitable job offers
- show us what you're doing to find work
- do anything else we require of you to help you be ready for work

If you don't meet your obligations without good and sufficient reason, we may reduce or stop your benefit. If you think you're unable to do this for any reason, or need help, please contact us.

Some useful places to start when looking for work include:

- asking friends, family and other people you know
- newspapers and community noticeboards
- employment agencies
- employers in your area
- websites such as:
 - workandincome.govt.nz
 - seek.co.nz
 - trademe.co.nz
 - careers.govt.nz

Income you get over \$160.00 (before tax) a week will affect your main benefit. Any income, even if it's less than this amount, may also affect other assistance you receive.

Future payments will be \$307.42 a week, starting with the payment due 03/03/26.

If you disagree with this decision, you can ask for a review. We must receive your request for review within three months of this letter. For more details, please see the 'general information' section at the back of this letter.
