Final reminder - we need to hear from you by 12 February 2026

We're getting back in touch about the \$3,175.55 you need to pay us.

It looks like you haven't made any payments yet or called to let us know why you can't make any payments right now.

Because we didn't hear from you, we're sending you this final reminder.

You need to either pay us \$3,175.55 in full, or call us **by 12 February 2026** to arrange payments. If you don't, we'll have to look at other ways to get the money back. This could include going to your employer, bank or another organisation for information. We may also ask them to help us get the money you owe. This can include getting money from your employer, bank or any future income support (including NZ Super) until it's paid in full. But we'd much rather talk with you first and work something out, so please get in touch.

To pay the money back now

If you can pay the money back in full in the next 14 days, that's great. You'll find ways to pay over the page or online at www.workandincome.govt.nz/repay.

If you can't pay all of the money back right now

If you can't pay it all at once, that's okay. We can look at what you owe and what you can afford to pay. Just call our Client Support - Debt Management team on **0800 558 008** before 12 February 2026. We'll help work out a manageable weekly payment that lets you pay the money back over time.

The table below will give you an idea of what people usually arrange to pay back. If you're unable to pay at this rate, give us a call so we can talk about it. We'll be able to work through your situation and agree on an amount that works for you.

Debt less than \$2,000	\$2,000-\$3,500	\$3,500-\$5,000	\$5,000-\$6,000	\$6,000-\$8,000	More than \$8,000
\$25 a week	\$30 a week	\$35 a week	\$40 a week	\$45 a week	\$50 a week

How to pay

Call us on **0800 558 008** (overseas +64 9 913 0300), or go to **www.workandincome.govt.nz/repay**. We'll help you work out the option that's best for you.

Direct payments from your wages

Talk to us about setting up regular payments from your wages.

Other ways to pay

Set up a payment from your bank account using internet or mobile banking:

- You'll need the account number **03-0049-0006243-025**. If your bank only needs a 2-digit suffix, use 25 instead of 025.
- Once you enter the account number, your bank may match it to the account name it uses for us. If your bank doesn't match it, you can use the payee name: **Work and Income Debt Management**
- In the reference field, you need to put the letter 'D' followed by your 9-digit client number: **D369295612**

If you're having trouble setting up your repayments, please talk to your bank.

You can also pay online by credit card. However, you could be charged interest if you don't pay this back on time so you need to consider this carefully.

Can't pay online?

Call us on **0800 558 008** if it's not easy for you to pay online and we'll go over other ways you can pay.
